Thought for Summer

Lord God - Your holiness breaks our numbness, your holiness mocks moral control, your holiness opens life beyond our blame games. We pause in awe before your transformative power. We move beyond our management. We mount up with wings like eagles. We run in eagerness and are not tired. We walk in well being and do not grow faint. We are made new well beyond our best selves. It is no surprise that we break forth in loud praise, lost in wonder at your goodness, lost in love for the new world you give, lost in praise for you Lord, you alone. Amen

Walter Brueggemann (1933-2025), a scholar of the Old Testament, started every lecture he gave with this prayer.

St Augustine's Notices

Notes from The Parochial Church Council -1. When you come into the church porch, please do not forget the porch box for charitable donations. These monies do not go for church funds but for some other charity nominated by PCC members.

2. If you would like to have your say in the Governance of the Church of England then the way to do it is by becoming a member of the Deanery Synod. This meets three times per year & is the local decision making body. Members of Deanery Synod can vote & resolutions may be passed to Diocesan & then further to General Synod, as the need arises. If you would be interested please contact Anne Heading. Members of Deanery Synod must be baptised and communicant members of the Church of England.

Coffee Morning Saturday August 16th any time between 10am & 12noon. Anne & David Heading warmly invite you to come to 3 Holmemead, Gt Broughton on Sat August 16th between 10am & 12noon for coffee, tea, cakes & refreshments. Everyone would be very welcome, come for as short or as long a time as you wish.

Children's Workshop -Tuesday 29th July 1.30pm until 3pm at St Augustine's Kirkby in Cleveland. Please could you let Anne Heading (Tel 01642 710045) or Sarah Weyell sarah.weyell@zen.co.uk know if you would like to come or you can bring children along

Kirkby & Gt. Broughton School & Nursery

To keep in touch with what's happening in school our website

address is <http://www.kirkbyandgreatbroughtonschool.co.uk/latest-news/>.

Once again we welcome Year 5 pupil reporters bringing us news of school activities. Well done for providing such interesting news. We look forward to your monthly contribution. Thank you to Ms Ronsano for supervising this very welcome initiative. If residents have suggestions of school information they would like to be included please tell our editorial team on kqbchurchnewsletter@gmail.com and we will advise the pupil reporters.

Kirkby and Great Broughton report on activities at school.

Some more busy learning to report from KGB Primary School:

In Reception and Nursery, there has been lots of practice for the whole school sports day, the children can't wait to show us their skills on the track! Reception have had a wonderful trip to Monk Park Farm too.

Year 1 children have been learning about writing letters to characters and each other, lots of money skills in maths, and reading the book 'Dear Greenpeace'.

In Year 2 the children have been learning about Judaism and habitats

In Years 3, 4 and 5, the children have been learning all about the Stone Age . This term they had a special Stone Age Day where they learned how to use bows and arrows, made cave paintings with chalk and charcoal, made arrow heads from string, flint, feather and a stick. Then they got to hold real artefacts such as scrapers which were used to get the animal skins off. They also looked at the horns and bones of real animals!

Y5 has also had an athletics tournament at the big school too in which they came second! Two Year 13 pupils from Stokesley School came to work with Y5 to do a lesson on Chromatography which involved a 'who done it'. We are hoping to have more lessons with the children from Stokesley School next year.

Y6 have been busy filming school memories, painting new flags for sports day and creating contraptions to fly eggs whilst protecting them from breaking on impact – this has been particularly *eggciting*! In June they went away on an adventure to East Barnby for a whole week! We missed them but they were too busy to miss us doing activities such as body boarding, canoeing, dry-slope sledging, orienteering, and climbing! The teachers were super proud of the children who all faced new challenges with enthusiasm.

Years 2, 5 and 6 had a visit from the NSPCC to learn about how to stay safe online and at home and the special Childline number 08001111 which can be called if we need help.

Year 5 and 6 also had a visit from the Newcastle Building Society to learn about money and savings.

Wild Cats' football is starting up soon for two sessions KS1 and then KS2 and we can't wait to practice our football skills with them!

We are looking forward to the long summer days and hope to report back again in September!

By Y5 reporters.

The **Tennis** section is looking for players (new or old!!) to play in team matches (ladies,gents, mixed veterans). Practice and Coaching available fot anyone wanting to get back into tennis. Please contact Susan on 07913 700004.

The soon to be Under 13 **Junior Football** team are moving from 9 to

11-a-side next year and are therefore looking for new players.... anyone interested please contact Ste at cluckie1984@gmail.com. The Sports Club is keen on attracting new Junior football teams to play friendly matches and potentially join the Junior League. Anyone interested please email bksc1@outlook.com

Unfortunately the Sports Club continues to find **dog mess** on the playing surfaces. I'm sure everyone would agree players should not run the risk of their skin or clothing being covered in dog mess whilst playing sports. Furthermore although rare, there are also potential associated health risks which include loss of vision. New signage will be put up in the following weeks clarifying dog walking rules and all members and guests are empowered to remind people to abide by them.

Kirkby-in-Cleveland Parish Council

Telephone Kiosk We have had notification from North Yorkshire Council that BT have informed them that they plan to remove the telephone kiosk on the green by the church.

This was Grade II Listed in 1990 & sits at the centre of the Conservation Area of the village. We are looking into all aspects to determine what action to take.

If you have any views on this could you please either speak to one of the parish council members or email us on kirkbypc@gmail.com as soon as possible.

If you would like to make your own representation to North Yorkshire Council, email: LocalPlanNYC@northyorks.gov.uk or by post to: Planning Policy and Place Team, North Yorkshire Council, County Hall, Northallerton DL7 8AD **by 3rd July 2025.**

Great and Little Broughton Parish Council

There are several **public seating** benches around the parish currently in poor condition. The Parish Council is aware of these & has planned a programme of repair or replacement.

Following advice from the Tees River Trust, **grass** on the sides of Holme Beck will not be cut until at least late summer. This is to encourage wildflower development and provide additional wildlife habitat.

Parishioners are reminded that for reasons of hygiene, dogs are not currently permitted within the whole of the playpark, including the grassed areas.

G&L Broughton Parish Council is pleased to report agreeing construction of a dedicated **picnic and seating area** extension to village play park. Funded by the parish with a contribution from the North Yorkshire Council, it will provide a paved area with two bench-seated picnic tables situated on the currently grassed area to the left of the main gate. It is hoped that this work will commence within the next couple of months & will require temporary closure of the play park & field.
