Christmas Greetings in the newsletter what is it all about ?

As usual we will be sending out donation envelopes in the November newsletter. The envelopes will have a slip attached detailing where to post/ bring your donation and space to write your name to go on the Christmas Greetings card.

The idea is that for a small donation you do not need to post Christmas cards to friends and neighbours in the villages. You can send a greeting in a communal card which is delivered in the December newsletter. There is no need to write a message on the slip - there will be a message on the card, just put your name - it will save a lot of legwork on Christmas Eve frantically hand delivering cards.

The Church Newsletter

Assistance required.

The news letter is currently drafted by a team of 2, Estelle and David. Much as we would like to deny it, neither of us is getting any younger, though you could be forgiven for thinking that when you meet us!!

We would really welcome new blood into the team to help with drafting; to bring in new ideas and make the Newsletter attractive to new and younger members of our communities. If you can type with 2 fingers (that's my skill level) and have access to a computer / laptop etc. and can use a word processor (we use Open Office – free download) you are 90% of the way there. We receive content by email which we generally copy and paste, only editing if we are tight for space. And that's it. Simple!

We work as a team and support each other covering for holidays etc, reviewing drafts, solving problems. So don't be shy contact us and let us know what you can do.

David 07791304297, Estelle 07799892845.

About printing.

Please diarize 15th of each month to send us your submissions for inclusion in the Newsletter. **The new Cut-OFF is 18th of the month, but leaving it to the last minute is always risky**

The Post Office Van

The PO van now visits on a Tuesday 11:05- 12:05 at The Wain stones Hotel or outside No 29 High St. The post office has cut the number of days from two to one per week as few people use it.

If more don't it is likely that we will lose it all together. Please encourage your friends and neighbours to 'use it or lose it'!
